Our lives are constantly changing, as are our priorities. However, one priority that should never change is ensuring you and your family are protected against an unexpected illness or injury – both medically and financially.

Even if you're healthy, you're not immune from the unexpected. If you find yourself temporarily without health coverage, **Short Term Medical** insurance is an affordable solution that provides valuable basic protection against an unexpected illness or accident. **Short Term Medical** insurance is:

**Simple** – You get coverage for unexpected illnesses and accidents; pre-existing medical conditions are not covered.

**Fast** – Coverage can be obtained as early as the next day ... just a few simple medical questions to answer. Best of all, you can choose to receive your policy electronically.

**Affordable** – You design the plan that best meets your needs and budget. **Short Term Medical** insurance is a low-cost option for your temporary need and may also be a low-cost alternative to COBRA.

The plan comes with a variety of rate of payment (coinsurance) and deductible options, as well as a choice of single or monthly payments – giving you control over your premiums and out-of-pocket expenses.

With \$2 million in coverage and the option to visit any doctor or hospital, there's no good reason to go without health insurance, even for a short time.
